opening the doors.

The committee on foreign relations have agreed to report favorably to the house Representative Neat's bill, which provides that any person, originally a citizen of the United States, who has been naturalized as a British subject, may be restored to citizanship in the United States by publicly subscribing to a declaration of renunciation of his British naturalization before any court sutherized by law to admit aliens to natural-rica in England had used violent language. letters of remonstrance to them.

> The Much Married Man. CHICAGO, March 14.-There are now in the city the following catalogued wives o Ciarence Davis, the bigamous commercial drummer whose matrimonial exploits were noticed in these dispatches yesterday: Mary Ann Madigan Davis, Mrs. Maggie Vandecar Davis and Mrs. Clara Lynch Cieveland Davis. Mrs. Emma h. Strong Davis has not been heard from. The case stands like this: In 1861 or 1862 Clarence Eugene Davis married Emma L. Strong in Elkhardt, or vicinity, Indiana. A child was born to them, and then Davis left there. On the thirty-first of May, 1864, he married Mary Ann Madigan, in Windham, eighteen miles from Brantford, Canade. He lived with her ten months and Canada. He lived with her ten months and left without waiting to see his child, now grown to be fifteen years old. About March, 1871, he was divorced from his first wife, Emma L. Strong Davis. On the thirty-first of Ostober, 1871, he was married to Maggie Vandecar in Toledo. A few weeks ago, on February 1st, he married Clara Lynch Cieveland Chara Lynch Cieveland Chara Lynch Cieveland. land of Quincy, this State. It is not known whether the returns are all in, as other States and Territories are to be heard from. The wives still show signs of relenting, and

NEW YORK. TAMMANY AND THE NEW YORK EXPRESS NEW YORK, March 16 .- The annual elecwas held to-day. On Saturday James Wil ton Brooks, son of the late James Brooks, one of the founders of the paper, was controller of one hundred and twenty six shares, Brooks's shares, which had been hypothecated

for a loan not due until June, and thereby n conversation with a Tribune reporter afte the meeting, denounced the proceeding by which Kelly controlled the election. "The me in the regular way of business as a collat-teral for the loan, and which, had I anticipated such a movement, I might have paid off without any offit ulty," Mr. Brocks will

contest the matter in the courts. THE TIMES SAYS Williamson, druggist; J. Welsh, jeweler; A. M. Nail & Co., dry goods, and Miss Burns, dry goods and millinery, were burned this morning. Loss, thirty thousand dollars; parthat among the shares of stock owned by Mr Brooks were twenty-five shares which he had deposited as collateral for a small loan. The loan was not and is not due, and Mr. Brooks was and is ready to pay it any time. Under these circumstances he had regarded the shares as being just as much in his posses-sion as if they had been looked up in a safe in his private office, but

THE KELLY MEN had found out where they were, and when came to voting for a board of trustees, Mr. Brooks was treated to the entertailing spectacle of twenty-five shares of his own stock

A SCRAP FROM THE WAR. Former Correspondent of the New York Tribune Reports a Treason-

able Plot by Many of Geu-

eral M'Clellan's Staff, who Intended to Dictate Term Robert E. Lee's Masterly Generalship.

New York Tribune: Speaking of the efforts of the Democrats to legislate General Fitz John Porter back into the army, Nathaniel Paige, a well-known Washington lawyer, said to a Tribune representative re-"I was with Pope's army as a correspondent of the *Tribung* at the second Bull Run bat-tle. Porter did not intend to help Pope win that battle. He was no worse than a dozen other officers, however, who belonged to the M'Clellan faction. They were all traitors at heart. After M'Clellan was restored to the

command of the army and marched through Maryland to intercept Lee a plot was formed to countermarch to Washington, expel Stan-ton from the war office and compel Lincoln "That never got into history."

"No," said Mr. Paige, "it is one of the unwritten chapters. I will tell you how I come to know of it. Three days before the battle of Antietam I had quarters one night in a farmhouse. Judge Key, of Cincinnati, whom Chase had got appointed judge advo-cate general on M'Clellan's staff, rode up about dark and told me he felt too ill to sleep in a tent or on the ground. I offered t

him were nearly all Copperheads who had no heart in the war.

"Lid Judge Key say that M'Clellan was himself concerned in the plot to turn the army back upon Washington and allow Lee to invade the north?"

"He did not know M'Clellan knew of "He did not know M'Clellan knew of sleet. The rivers and creeks in the sastern it. The officers who advocated it at the secret council did not claim to have broached the plan to him, but seemed to think they could win him over to it." "What was the change of policy they is tended to force upon Mr. Lincoln? "The abandonment of all interference with e institution of slavery. It he would guar-consolidation of the Central and Western asthe institution of slavery. It he would guarantee the perpetuity of slavery they thought the war could be brought to an end." "Were you at the battle of Antietam?"

"Yes. There were three of us Tribune correspondents there. I was with Sumner on one wing, Albert Richardson was with Burnsile on the other, and George W. Smalley was with Hooker in the center. The failure of M'Clellan to pursue Lee the day.

would have been inevitable. Fitz John Porter's failure to go to Pope's assistance at Bull Run, and M'Clellan's failure to pursue Lee, were harmonious parts of that conspiracy. Time has only strengthened the impression the events made on my mind when they occurred."

Talking about the events of that disastrous summer of 1862, Mr. Paige said he thought General Lee's high qualities at a strategist were never, in all his career, displayed so brilliantly as then. CURIOSITIES OF CRIME.

The mea in the adjacent breast came up as quickly as possible to be hoisted, while others despended to resue their companions. After several hours work all the men were released. Mar-tin M'Donald was found mortally injured, but the others escaped with a few bruises. The wildest excitement prevailed for a time, and hendreds of frantic men, women and children gathered about the mouth of the

A Machine Shop Muddle. Sr. Louis, March 16 .- All the mechanics working in the Missouri Pacific railroad machine shops, in the western part of the city, penters, painters, etc., numbering about four hundred, struck to day for ten per cent. advance of wages. The men sent a committee of one from each department to the superintendent of the shops to make their demands, but he refused to treat with them as a body. He said he would talk with the men singly i they had any grievances to state or demands to make, but he would have nothing to do LOUISVILLE, March 16 .- William Ken-
